Talk is we will try to arrange a COVID Golf Cart Parade early on Wednesday, November (3rd) Details are still sketchy – let's hear your thoughts.

We can have a Golf Cart Parade as opposed to you simply calling Walgreen's for a Walk-In appointment.....

Facts are we are awaiting approval on the Moderna as a booster

Pfizer is already approved.

If you choose to do the parade – it will be with Walgreen's 1810 W Tyler store. The Pharmacist and I have made some plans.

Tentative game plan:

On the given morning, Walgreen's will set up shop near the Retz Hall Kitchen door. That is where the line up will begin -- ? 8am 9 am (Their shot team)
SCCE = Two Golf carts side by side = 4 vaccines (the line should move nicely).

After you have received your vaccine, move on around to the Shuffle Board area where our COVID volunteers will observe you for about 15 – 20 minutes depending on how you feel. (NW-CERT maybe, others) ?? Maybe coffee or/and ?

Bring your ID COVID shot card, Insurance etc ?????

Some shots may be pricy (like Shingles) some are FREE, others are covered.

Paperwork – Walgreens will have VIS (Vaccine Info Statements) for your request
Some permission papers need to be signed etc.
I will get these in advance for you.

Some Vaccines are free, some are not. Some are under your Insurance, some are not. Many are free.

VIS: Vaccine Info Statements:

Walgreens can offer a gazillion vaccines. There is a VIS for each. You may want to consider Flu to Tetanus. You probably do not want 2 or more together – your body will not like you.

I can get these VIS papers for you – I have some on Flu, Pneumococcal Pneumonia, Shingles and Tetanus (Tetanus – with Diphtheria & Pertussis) now.

You can get these papers too.

Any questions – call me Lenore Combs 956 245 1276

**Thanks to Cathy, Judy and Bev for assisting me and Marian for allowing this time.
We live in a special community and shall give Thanks for that too.**
