Montana Nebraska Missouri Michigan Indiana Wisconsin Iowa Minnesota Kansas

Disaster Preparedness: Hurricane Season - June July August September October November

Map of SEPO who's here or not -- evacuation plans (SCCE & HPD HFD EMS Combes PD)

Plat of community to EMS & Comm Center

Hand-outs c/o CERT

Also we will touch on *Emergency Awareness Training* – this is not part of an Emergency First Aid plan at Sunshine however, we welcome the presence of awareness training as it instills confidence in the use of the AED, First Aid and Stop The Bleed.

AED info sent to STEC management

Stuff with AED - Call 911 sign (as a reminder) --- What to do when we use it and follow-up.

National STOP THE BLEED Day Thursday 23 May

The only thing more tragic than death from bleeding is a death that could have been prevented.

Lay people - First There = First Care. You are considered "Immediate Responders" or "First Care Responders" and are included in the circle of Emergency Responders.

Old Business: (don't mean to seem repetitive, but may be worth repeating)

There is a brief description of NW on the SCCE Web www.sunshinecountryclub.com

Thanks to Beth – keeping you all up to date. Go to the *Residents only* section of our website for further info.

The Front Gate Code is officially changed – it does not affect your clickers.

We also have a "Yelper" S O S System – compatible with all Emergency vehicles. They simply sound their siren on their vehicle and it will open.

Red Envelope with Health history -- New and improved Medical info sheet

I will have them at the meeting.

Copies have already been dispersed. I have plenty and encourage you to complete yours.

The premise is when the EMTs arrive and things are in a stir, - you have this RED ENVELOPE on your fridge at the ready with a brief, current health history (example: meds, surgeries, medical conditions such as Diabetes etc.) FREE compliments from SEPO and NW-CERT.

The separate little red square (2x2) is a sticky label for your door so when EMS comes to you, they see it and know to look on the fridge.

SCCE Emergency Contact Information form – please update this and return to SEPO Office.

Who's Your Buddy? Suggestion – have a good friend or two – handy - in case of.... For when you anticipate calling 911 because you will be stuck on the phone. Your Buddy can call other volunteers, help gather papers, go to the Front Gate – turn on revolving red light on our Frontage Road on Texas Avenue to signal the emergency location. Great help!

AED: By the way, if you need the AED – make sure you also call 911

Who has called 911, who is doing compressions etc. etc. etc.??

Stop The Bleed Bags – Sunshine has 3 of these special RED BAGS with First Aid stuff especially focused for STOP THE BLEED as a result from serious accidents, excessive bleeding from medicines etc.

Operation ID – Officer Alicia Garcia HPD

Contact Lenore 956 245 1276 so we can make arrangements with you. First, complete your

Personal Inventory List then we can set up the engraving process & give you the Operation ID decal. Additional Personal Inventory Lists are available in the Library next to the NW displ Also we will touch on *Emergency Awareness Training* – this is not part of an Emergency First Aid plan at Sunshine however, we welcome the presence of awareness training as it instills confidence in the use of the AED and even First Aid.

Next NW – CERT meeting - Monday 17 June 3pm in Retz Hall

Lights On -- Lock Up and Look Out for each other
