---

This Board Executive Session was a closed session, open to only SEPO Board members, as permitted by Texas law since the meeting pertained to:

- A possible SEPO Rules Violation
- Employee compensation for the 2023 SEPO budget

The meeting was called to order at 1:50 PM. All Board members were present in Retzlaff Hall. The Meeting Notice had been made available to the community by the required day/time. There were no agenda amendments formally requested by the Board. The Board acknowledged receipt of the Board Executive Session Summary from October 11, 2022.

It was determined there was no SEPO Rules Violation.

The Board agreed on employee compensation figures for the 2023 SEPO budget.

Respectfully submitted,

***SEPO Board Secretary***
