Pam has been approached by several people regarding the pool chairs and how hard they are to get out of. There was much discussion about this. Some of them are taller than others as extensions were put it. It was mentioned that Lisha Johnson had done some research on new pool chairs.

Dale Hopner brought up the point that Lassey made last meeting about spending money. They mentioned that money should be spent and not just sitting in the bank. Pam pointed out that we have been spending money. The Women's Club has spent over \$20,000 the last two years. The Women's Club has also fundraised over \$20,000 the last two years. We have worked hard to replenish the money we spent so that we have a nest eggs when things come up. She also said that Pat Heinerikson is looking into the toilets and repairs in the bathroom. Before we can spruce up the hall we need to make sure the structure itself is repaired i.e. roof and foundation repair.
