SEPO Board: President

Dear SEPO Residents,

Welcome back to those returning for the fall and winter season. I hope everyone had a safe, healthy, and enjoyable summer. As our community becomes more active again, I want to update you on the work the Board continued over the summer and what residents can expect in the months ahead. **Our next Board Meeting will be Monday, October 19th at 1:00pm in Retzlaff Hall. Our next Residents Meeting will be Tuesday, October 20th at 1:00pm in Retzlaff Hall.**

Summer Board Work

In August, I shared several of the major issues facing SEPO before our Board meeting. This meeting lasted nearly 5 hours, reflecting the discussion, planning, and decision-making currently underway. The Board is taking this work very seriously because the choices we make now will affect our community's condition, financial stability, and future for years to come.

Roads and Infrastructure

A major focus remains on our roads and infrastructure. The road repair portion of the pavement project was completed under budget. SEPO budgeted \$155,000 for pavement repair and preservation, and the updated projection shows \$127,572 spent on road repairs and Reclamite treatment which is expected to extend the life of our roads.

Capital Needs and Reserves

We also continue to monitor our broader capital needs. In 2026, SEPO addressed or planned for several major capital items, including the Retzlaff Hall/Library/Office roof project, pavement repair, and preservation, as well as possible Retzlaff Hall air-conditioning replacement.

INSIDE SUNSHINE NEWSLETTER

October 2026

While we are not out of money, we do need to be realistic. Our reserves are not where they should be for a community with roads, buildings, common areas, equipment, and aging infrastructure.

Planning for Long-Term Financial Stability

This is why the Board is continuing to discuss reserve planning and the 2027 budget. One principle guiding this work is that normal annual operating expenses should be supported only by our annual HOA dues. Additional revenue sources should not be relied upon to balance ordinary yearly operations. Instead, those funds should help rebuild reserves and support long-term capital needs. We are looking at cost-cutting options to meet this goal. At the same time, this is not just about short-term concerns. If we plan now, make thoughtful changes now, and address our financial structure before we are forced to react to emergencies, we can significantly improve SEPO's long-term financial position.

Stronger reserves will give the community more ability to make significant repairs in the future, respond to unexpected needs, and preserve the property values and quality of life we all care about.

Possible Reserve-Building Options

The Board has discussed several reserve-building options, including a special assessment tied to specific completed or planned capital projects, a capital contribution fee for new owners, and other revenue ideas. No final decision has been made. Any proposal brought forward must be clear, legally reviewed, and tied to a specific, transparent purpose.

Legal Review

To help with that process, the Board voted to retain Michael Gonzalez of Brownsville as SEPO's attorney. Legal support is not meant to create unnecessary expenses. It ensures major decisions (including covenant language, possible special assessment wording, reserve-building options, property maintenance enforcement, and election procedures) are managed properly before action is taken.

INSIDE SUNSHINE NEWSLETTER

October 2026

Election Planning and Electronic Voting

Another important step was election planning. The Board approved Jeanette Makowiecas Chair of the Election Committee. The Election Committee has already internally tested an electronic voting system and is working to identify and address any potential issues before moving forward. The goal is to make voting more accessible, efficient, and cost-effective, while still keeping an option available for residents who cannot vote electronically.

Office Communication During Board Meetings

The SEPO office will be closed during Board meetings so Valerie can attend and stay informed about Board discussions, decisions, and upcoming changes. Since Valerie is often the first point of contact for residents, this will help ensure she has accurate information and understands any follow-up or office responsibilities that may result from Board action. We appreciate our residents' understanding when the office is briefly closed during these meetings.

Resident Survey

Residents should also expect a survey soon. The survey will ask for feedback on priorities, possible funding options, infrastructure needs, covenant topics, and resident involvement. A survey does not replace Board responsibility or required owner votes, but it helps us better understand what matters most to residents before we take the next steps.

Resident Involvement

We also need more residents involved. SEPO will have several Board openings in the upcoming election, and we need residents willing to serve on the Board, the Nominating Committee, and other committees. A healthy community cannot depend on the same few people to do all the work. If you have experience in budgeting, planning, maintenance, safety, communications, organization, or simply a willingness to help, SEPO needs you.

Other Active Issues

Other issues remain active as well. The Safety Committee will be reviewing speeding concerns and traffic-calming options. The Board is seeking legal guidance on property maintenance concerns. The Board continues to evaluate the water/well situation. The golf survey received

INSIDE SUNSHINE NEWSLETTER

strong participation, and the Board will continue reviewing resident feedback before making broader decisions related to golf course use, fees, or priorities.

Looking Ahead

As we move into the fall and winter season, I feel confident about the direction of the work being done, but I also want to be clear that SEPO has important decisions ahead. We need to plan carefully, spend responsibly, rebuild reserves, maintain our infrastructure, and involve more residents in this community's future. Thank you for your continued interest, patience, and support. I encourage everyone to attend meetings, when possible, complete the upcoming survey, ask questions through the proper channels, and consider serving in some capacity. SEPO is a special community and preserving it will take all of us.

Sincerely,

-Lisa Seiser, President SEPO Board of Directors

Communications

SEPO Emails:

One of the best ways to get the word out to the entire community about your upcoming activities/meetings is by sending a SEPO email. Guidelines on how to do this are here: <https://www.sunshinecountryclub.com/guidelines-sepoemails>. Facebook posts should also be sent via email to the above website, because many Sunshine residents do not use Facebook. If you have an email that needs to be sent immediately, call or text me so I can get it out ASAP.

Women's Club: President

Summer seemed to have gone by quickly this year! And with the abnormally hot temperatures, we all thought we were still in Texas! I hope that you are all as excited as I am to head back for the winter.

INSIDE SUNSHINE NEWSLETTER

October 2026

As a reminder, any women who lives or rents in Sunshine Country Club Estates is automatically a member of this wonderful, high functioning club. And it is free! Meetings are held on the 3rd Friday of each month in Retzlaff Hall, and we would love to have you join us as we think of ways and plan events to raise money that will benefit our community and those of you who live here. Our first meeting of the 2026-2027 season will be held on Friday, October 16 at 9:00am in Retzlaff Hall. It is a wonderful way to meet your neighbors.

The Women's Club provides fun-filled events that are sure to be a grand time! Our kick-off event this year is the Octoberfest on October 24th, hosted by Pam Davis and Lisa Perrier. We all know how they can throw a good party. So, get out your best beer mug and join us for this event. (See the following Octoberfest Poster, below, for more information.)

I must give a shout out to the Cookbook Committee who has worked endlessly to get this project up and running. I cannot say enough good things about them! (More information about the cookbook follows, below.)

We are extremely excited about this season and are looking forward to everyone's return. Safe travels as you make your way down South!

Best Regards,

Christmas Program

Please keep the second graders in mind for our Christmas program. Pencils, crayons, erasers, pencil cases, stuffed animals, and games geared toward 7- to 10-year-olds, as well as socks are all welcome. I will be back in mid-October, and I will keep you up to date on what is still needed at that time. If you prefer a monetary donation, those will be used to pay for whatever needs to be purchased. Thank you in advance for blessing these children with your donations.

Women's Club Cookbook

The Cookbook Committee had quite a busy summer working on this much-anticipated project. There was a total of 381 recipes submitted, with 74 individuals contributing their recipes. Numerous summer days and many hours were spent adding, proofing, correcting, proofing again, and correcting again to try to make this book as accurate as possible. It was truly a fulfilling project to be a part of! We believe that it has turned out to be an amazing book, and something you will cherish for years to come.

The completed project was submitted to Morris Press on September 17, 2026. We will keep everyone advised as to when the Cookbooks will be available. Please watch SEPO Emails and follow the SEPO Newsletters for updates on the Cookbook's arrival! Once we receive the Cookbooks, those of you who have pre-paid can arrange pick-up by contacting Cindy Mead. There will still be more copies available! They would make wonderful Christmas presents, costing **\$15.00 each**. Anyone wanting to purchase a book can do so at the Women's Club meetings or by reaching out to Cindy Mead.

Looking forward to seeing everyone soon.

Painting Club

Sunshine Painting Club started out as a rock painting group. As time passed, interest waned in rock painting and now the club is mainly doing acrylic pour painting which includes canvas painting and functional art.

This year, we have planned four specific classes so far with the rest of the days having open pours. We meet on the **first and fourth Monday of the month from 1pm to 3pm in Retzlaff Hall.** The following dates are through January 2027:

10/5	12/14
10/26	12/28
11/2	1/4
11/23	1/25

Classes are tentatively planned as follows:

10/26 will be a Sunflower Dutch Pour.

11/2 will be a Color Theory Class with Gay Paxton and is a “Hands On” Class.

12/14 will be a project with two pieces of art. We will pour over a vase onto a canvas and create a matching set (or two separate pieces) of functional art.

1/25 will be a clock on a wooden base.

Stay tuned for more details to come.

From the Editor

Hello Sunshine Friends!

I have never seen a summer fly by so quickly! The only thing that vanished more quickly was my memory of how to put this Newsletter together! No worries! It slowly came back to me after a few “practice runs”! I think I have it now.... until next month!!!

I hope everyone had a healthy, fun & relaxing summer. I am looking forward to returning to Sunshine sometime in November & getting reacquainted with my Texas friends and neighbors. There will be many fun events and activities once again for the 2026-2027 Winter Season!

Two reminders for Newsletter submittals will be emailed out to the community around the 17th & 24th of each month **prior** to the Newsletter being published. For example, October’s Newsletter Reminders were sent out around September 17th and 24th. My deadline to complete editing the Newsletter was September 24th. The earlier your submittals are sent to me, the more quickly I can get the Newsletter out to all of you!

Enjoy all the wonderful activities and events that Sunshine Country Club Estates has to offer! Let’s make our 2026-2027 Winter Season one of our BEST!!!

Safe Travels, as many of our “Winter Texans” return to Sunshine!

Much Love & Blessings!
